

SCROLL DOWN AND CLICK ON THE BUTTONS YOU FIND IN THE NEXT PAGES TO ACCESS THE GOOGLE DRIVE OR OTHER CLOUDS LINKS

PLEASE NOTE: If you try to download multiple files together, the downloads may fail.

Browsers do not support a bandwidth greater than 50GB, as a result when you download the files they either block during the download or the files are corrupted and therefore unusable.

Please download the files one by one, in a row, not all at once.

Once downloaded, we ask you to unarchive them using the official WinRar or 7Zip software.
